We're an engaging national program that educates, entices and empowers our show fans/followers while covering "Everything & Anything in the World of Travel" ...

We are travelers! We love the world of travel and its many important sectors. We believe travel is in all of our DNA, that it makes us better people, and certainly travel is an essential economic engine around the globe ... Challenging times require redoubling efforts, and staying connected with those who can have the greatest influence and impact – in short it means being aligned with RMWorldTravel!

Hosts/show creators Robert & Mary Carey, along with co-host Rudy Maxa, easily connect with the audience and skillfully cover the world of travel, culture and its allure through modern segments, on-location live remote broadcasts, etc. Combined, RMWorldTravel offers unmatched experiences, unparalleled insight and unique understanding into travel, tourism and dozens of related industries...

Experience the results that this winning program and brand delivers! Informative, Entertaining, Fast-paced, Contemporary and Interactive – our show combines breaking travel news, topical talk, high-profile guests, important industry decision makers, tips/trends, honest commentary, straight-forward advice, inside scoop, wide-ranging audience engagement, fun and excitement, and so much more!

***Together we will positively impact travel ...***
